ORDER

PDS dealer Ramanand Ram is absent. BDO, Chehra Kalan is present. The then Panchayat Secretary is also present. The then BDO has not turned up.

On 15/06/17 I had passed order for granting rebate of 15% on the total demand. If the dealer does not deposit the balance sum within one month, rebate will not be available to him nor will the transportation and handling charges be paid. The matter in this Commission is closed.

Rajbali Das, Panchayat Secretary in 2005-07 is present. He states that the grains could not be distributed for want of cash component. He states that he had informed the BDO about the want of cash component but no action was taken by the BDO. He has produced a letter dated 24/07/2017 written by him to the BDO to supply the Scheme Register. In that situation, he is unable to substantiate his case. The then BDO is absent although he was summoned. The DDC, Vaishali will examine why cash component was not supplied. DDC will take action against the then BDO and report to this Commission why cash component was not made available which resulted in loss to the State Government.

Let a copy of this order be sent to the DDC, Vaishali who will submit his report to the Commission on 21/08/2017.

ORDER

PDS dealer Lal Babu Chaudhary and BDO, Chehra Kalan are present. Manoj Kumar Kesri, the then Mukhiya and Rajbali Das, the then Panchayat Secretary and Nagendra Singh, the present Panchayat Secretary are also present.

The then Mukhiya states that since allotment had not been received in the block, no work could be taken up and accordingly no parcha could be issued.

There was a demand of Rs 2,50,326/- against the dealer. He has deposited Rs 1,25,360/-. He is still to pay Rs 1,24,960/-. I am not prepared to accept the statement of the dealer that grains had deteriorated. I have not the least doubt that the grains found dubious course of disposal, Even so since the work could not be taken up for want of cash component, BDO and the DDC have failed in their duties. In that situation, I grant Rs 15% rebate to the dealer on the entire demand. He must deposit the balance sum within one month failing which rebate will not be granted to him nor the transportation and handling charges @ Rs 50/- per quintal. The matter is disposed of accordingly.

ORDER

PDS dealer Umesh Prasad Sah is represented by learned counsel Mr Gajendra Kumar Singh. BDO, Chehra Kalan is present.

BDO states that after convergence, the dealer was left with 316 quintals of rice. The price of which was Rs 4,32,920/-. The dealer has already deposited Rs 2,86,000/-. Although this is more than 50%, yet a lot remains to be paid by the dealer.

Mr Navin Kumar Singh, BDO of that period has not turned up. He has dismally failed in his duty which caused loss to the State.

So far the dealer is concerned, he is granted rebate of 15% on the total demand provided he deposits the balance sum within two months. On deposits within that period he will be entitled to payment of Rs 50/- per quintal as transportation and handling charges.

Issue notice to Mr Navin Kumar Singh, the then BDO explain how and why cash component was not made available on which account the grains could not be utilized.

Put up on 22/08/2017.
